NAVIGATING THE EDUCATIONAL SETTING DURING THE COVID-19 PANDEMIC

Advocating for Students who
are Deaf and Hard of Hearing

Wednesday, Dec 9 6:00-7:00 PM

Presented by Tabby Belhorn, Ohio parent and Trainer

ASL Interpreting and Captioing provided

Parents of deaf and hard of hearing children are left wondering how to ensure their child continues to receive and an appropriate education. This presentation will review Federal and state COVID-19 educational guidance that parents and schools have received.

Together we will

1. Review of current guidance regarding the education of children with disabilities during the COVID 19 pandemic.
2. Review three laws that support and guide the education of children who are deaf and hard of hearing.
3. Discuss accommodations for children who are deaf and hard of hearing that may be used in the classroom or remote learning during the pandemic.
4. Discuss ways families can overcome obstacles when advocating for their child's education.
